WHATEVER YOUR HOUSE NEED MAY BE, FOY'S Can Supply it.

TO NEWLY MARRIED FOLKS,

It is to those who have shuffled off their mortal coil of single blessedness that we address ourselves to-day. It is to their sense of the economical, to their appreciation of the elegant and good things in housefurnishings that we wish to appeal. We know that we are in a position to help you materially on the economical side, and a casual glimpse into our great store, filled to its utmost capacity with good equipment for your new home, will convince you that we possess the elegant and substantial things. Young man, if you've just been married, or are just about to be, come in and look around a bit. Bring the girl with you, for it's a ten to one shot that she's got a better idea of what's wanted in the newly-made nest than you have—and, anyway, what's to be bought. Bring her in, we say, and let some of our salespeople go through the building and show you how cheaply a house can be furnished throughout.

BABY
CARRIAGES

AND
GO-CARTS.

STATISTICS show that the Population of New South Wales is increasing in the good old fashioned way. With all due appreciation of the efforts of our Millions Club, we most heartily CROWN THE STORK KING. This is a Holmantian era, and our Progressive State has added many little Jewels to its Crown during the past few months. We all love BABIES, and every Mother loves her Baby best, and loves that baby better if she can show it off in a NICE NEW BABY CARRIAGE. We appreciate this fact and have anticipated the coming of the Stork. We have secured the most handsome line of BABY CARRIAGES ever shown in Sydney. We feel that nothing is too good for the Babies. We strive to please the Mothers, the Queens of this Glorious Country.

The name FOY on a Baby Carriage or Go-Cart is a guarantee of satisfaction. As far as quality, workmanship and durability go, no make stands higher. In matter of price we know of none that compares so favourably. If looking for a Baby Carriage be sure and see FOY'S.

A Glimpse of our Bedstead Display Floor.

HOME COMFORTS.—There's no joy like coming from work to a home of your own. There's "Something New Under the Sun," when your day's work is done, if you make straight for a home of your own. Let it be truly a home, though, and lack nothing in its furnishings to please the eye and yield quiet restfulness to body and mind.

Foy's Bedstead Section.

Where Beds and Bedding
are what they seem.

BEDSTEADS THAT ARE RIGHT. To reach out for the best and want the best at the lowest prices that the best can be purchased for is not a bad trait. The possessor of that trait may be called a "Bargain Hunter," but that's only another name for economical. There's good hunting in Mark Foy's. Everything in this stock of furniture is a bargain, when quality and price is considered; but, unlike the usual "Bargain," it is not something old and out of date.

BEDROOM FURNITURE.

HONEST FURNITURE is the text of our little Furniture Sermon to-day. Honest Prices for Honest Furniture is the sub-text. We put Furniture first, for quality is the first consideration at "The Piazza." One soon forgets the price he paid for honest goods; but always remembers that he got his money's worth. One soon forgets the price he paid for an unsatisfactory article. He only remembers that he was "stuck." There is no reason for buying poor furniture at any price. Lots of Houses in Sydney sell honest furniture at honest prices, and Mark Foy's is one of them.

Foy's extensive showing is seldom equalled in any one store—comprising as it does the best makes of English and Australian manufacturers. Linoleums.

How we do cut up Linoleum! Hundreds of rolls go out every season to the homes of the people who appreciate the cleanliness, wearing qualities and other advantages of linoleum. Our stock of both British and American is the largest in Sydney. You will find this a very good time to have a room covered, as our assortment is large and the prices are most moderate.
